

SPECIFICATION AMENDMENTS

Priority

The specification has been amended, according to the attached specification replacement sheet, to include a priority claim reference for US Patent Application Serial No. 08/571,536 as requested in the Office Action. The sheets do not include new matter.

Drawings:

Applicants acknowledge that the drawings submitted have been approved.

Sequence Listing:

The specification has been amended to include a sequence listing for the sequences found in the specification. A sequence listing paper copy has been submitted with this Amendment as an additional sheet to the specification.

A computer readable form has also been submitted and it is the same as the paper copy that has been added. Additionally, the Specification has been amended according to the attached Specification replacement sheets. The sheets do not include new matter.
